

August 15, 2017

To Whom It May Concern:

We would like to confirm that Mr. Arnold Villeneuve has been an Author and Instructor for Learning Tree International since 1993. He is one of our best performing Instructors with attendee evaluation grades at or above 3.71 course and 3.89 instructor, on a 4.00 scale. During his time with Learning Tree, Mr. Villeneuve has taught many courses around the world in English, as well as a number of course in the French language for our organizations in Montreal, Quebec and Paris, France.

Mr. Villeneuve specializes in course topics covering network operating systems, productivity software and collaboration platforms. More specifically he has taught SharePoint courses since 2004 including SharePoint 2003, 2007, 2010, 2013, and now 2016. One of the aspects we appreciate the most about Mr. Villeneuve is the significant degree of real world experience he brings to our organization and more importantly to our attendees. This has been demonstrated numerous times with Government of Canada client projects.

Learning Tree International is happy to provide a reference for Mr. Villeneuve in writing, and is very willing to confirm his experience with our organization in person or over the phone if required.

Please do not hesitate to contact me if more information in support of Mr. Villeneuve is needed.

Sincerely,

Andrew Cate

North American IR Operations Manager
